

**President-Elect Candidate**

**Marissa Beck, MS, RDN**

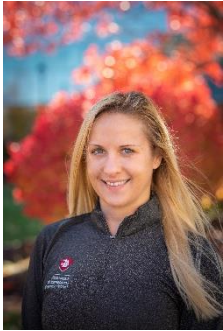

<b>Education:</b>	Master of Science (MS), Nutrition & Applied Physiology, Teachers College, Columbia University, New York, NY   May 2009 Bachelor of Arts (BA) in English & Art History, Tufts University, Boston, Massachusetts   May 2005
<b>Internship:</b>	Dietetic Internship Program, New York Presbyterian and Weill Cornell, Didactic Program in Dietetics through Teachers College, Columbia University, New York, NY
<b>Employment:</b>	Founder, REVV Health   Seattle, WA   Oct 2022-Present Nutrition Program Manager at Nintendo, CareATC   Redmond, WA   Oct 2018-Oct 2022 20/20 Lifestyles Registered Dietitian, PROClub   Bellevue, WA   Nov 2014-Sep 2018 Health Communications & Dietetic Counselor, Sole Proprietor   NY & WA   Dec 2013-Nov 2014 Director of Nutrition & Wellness, NextJump   New York, NY   Jan 2010-Nov 2013 Teacher’s Assistant, Teachers College, Columbia University, New York, NY   May 2009-Oct 2009
<b>Professional Activities:</b>	Awards Chair, Washington State Academy of Nutrition & Dietetics (WSAND) (2017-2021) President, Greater Seattle Dietetic Association (GSDA) (2016) President-Elect, Greater Seattle Dietetic Association (GSDA) (2015) PR/Fundraising Co-Chair, Greater Seattle Dietetic Association (GSDA) (2014) Newsletter Editor, the Greater New York Dietetic Association (GNYDA) (2012)
<b>Awards</b>	Recognized Young Dietitian of the Year (RYDY) awarded by the Washington State Academy of Nutrition & Dietetics (WSAND), 2016.
<b>Professional Statement</b>	<p><i>Three months ago, I took a risky dive into the world of entrepreneurship, prompted by a drive to grow both professionally and personally. Over the past four years, I grew the dietetic program at Nintendo via health vendor, CareATC, from a non-existent role to one that now requires multiple collaborations with other on-site vendors (e.g., EXOS, Sodexo), a packed nutrition counseling schedule, and interdisciplinary team function. I grew at Nintendo both in skills and expertise as a dietetic counselor, as a speaker and in my leadership style. When I left, I knew I wanted to once again be in build-mode and reach more people, which is what I am currently doing at REVV Health, a company that I believe can be both a small business vendor for dietetics as well as a growing private practice that can serve the Greater Seattle Area and remote locations.</i></p> <p><i>My goal, if elected as President, is to give back. In a nutshell I am good at making connections, learning from (and helping others grow, too) in our field, and seeing ideas through to fruition. I have intentionally given my best energy to my positions and have the bandwidth now as I grow REVV Health.</i></p> <p><i>Finally, I enjoy being involved in the Academy and foresee myself continuing to be a part of the Academy both at state and national levels. I am most honored that WSAND would consider me for this role.</i></p>

<b>Awards:</b>	Leadership Award, Washington State University, 2021
<b>Professional Statement</b>	<i>Since becoming an RD, I have had the privilege to serve on the Greater Spokane Dietetic Association board as legislative chair, and now as the current communications chair. This experience inspired me to take initiative, to investigate, and remain abreast of initiatives and legislative news important to dietetics, reimbursement, and the needs of our community. As communication chair, I have been able to utilize my creativity to engage with the GSDA members and promote the membership community to participate in events and activities. I have also been honored to precept WSU students and get them excited about long-term care dietetics. I really enjoy spreading the excitement and opportunities our field has to offer, and it would be my honor to bring my enthusiasm to the WSAND membership director position. Thank you for considering me for this opportunity.</i>
